

FELLOWSHIPS

Fellowships supported by the International Centre for Genetic Engineering and Biotechnology (ICGEB)

Fellowships are available to participate to the 7th Meeting on Emerging Issues in Oncogenic Virus Research, to be held in San Pietro in Bevagna, Manduria, Italy, from 3rd to 8th June 2025. Applications for fellowships are available for junior scientists (PhD students and postdoctoral fellows) wishing to participate in the meeting. The fellowships will cover the meeting registration fees, which include participation in the meeting, accommodation and meals, and transportation by shuttle bus from and to Brindisi Airport, as well as ground transportation during the meeting. Other travel costs will be at the expense of the fellowship recipient.

This fellowship programme is supported by the

International Centre for Genetic Engineering and Biotechnology

Only junior scientists who are nationals of an ICGEB Member State are eligible. For more details, please [see the list of ICGEB Member States](#).

Online **submissions must be sent within 28th February 2025** and must include the following attachments:

- o CV;
- o Abstract (in word format);
- o ID/Passport;
- o Reference Letter
- o Hotel accommodation and transfer form (mandatory): [download booking form](#)

Please [submit HERE](#) your fellowship request.
